# Deaf Enrichment Weekend

Friday and Saturday March 25 & 26, 2022; Friday 9am-1pm only for preschool/kindergarten

Deaf Enrichment Weekend (DEW) for spring will be both in-person on our Great Falls campus and virtually via Zoom this year. It is a time when our school-aged deaf/hard of hearing students can come together from across Montana to connect with each other for some fun, enriching activities. We will also have a separate track for our preschoolers and kindergartners which will only be available in-person. An adult family member will need to stay on-site with their preschool/kindergarten student. There will not be planned activities for hearing siblings for this event. For students grades 1-12, we will be having a roller skating social (adapted for those with mobility needs), build your own pizza activity, and various fun learning opportunities. Masks are not required on our campus, though they are strongly encouraged. There are limited Cottages available for free housing and rooms will be assigned on a first-come, first-served basis, so sign-up as soon as you can. Hope to see you there!

Preschool/Kindergarten

Friday 9am-12:45pm

Includes free lunch on our campus; free breakfast @ 7:45am if staying in Cottages

Grades 1-12
