

22nd Annual
FAMILY LEARNING WEEKEND for
FAMILIES OF Blind and Visually Impaired Children
June 3-5, 2022

What: MSDB 22nd Annual Family Learning Weekend for the Blind and Visually Impaired
Where: MSDB Campus in Great Falls
When: June 3-5, 2022
Who: Families of Blind and Visually Impaired Children living in Montana!!!!!!
Why: It will be fun!!

The Learning Weekend is a creative program that provides opportunities for families of sensory impaired children to learn about blindness and visual impairment, share their experiences with other families, and learn how to communicate more fully with one another in a warm, caring atmosphere.

The focus of the weekend is to enhance each individual's personal knowledge of blindness and how it relates to the education and development of their child. Informal workshops, group discussions (parent groups, kids groups, siblings groups, etc.) and hands-on activities will be offered. Child care and recreation for the children (siblings included) is available at no charge. Families will be reimbursed for mileage at the current state rate.

Housing is provided on a first come first serve basis. Each family is generally provided with their own suite of rooms in the cottages and efforts are made to make assignments according to individual needs and preferences. Typically each family has their own bathroom, sometimes two depending on the size of the family. **Participants will need to bring personal items such as soap, shampoo and toothpaste.**

Children ages **birth to two** will be in the cottage nursery with staff. *Parents should pick up their children from the nursery prior to lunch and return them to the same location when they are done eating.*

The children are divided into groups based mostly on age. Many factors are taken into consideration including friendships, maturity level and interests when putting together the groups. The children stay with their groups until they join the parents for mealtimes. Some of MSDB finest residential and school staff will be responsible for supervising your children and making sure they enjoy the weekend as much as you do!

Children ages **three to five** will be involved in a variety of activities throughout the day. These activities will include: snacks, indoor and outdoor activities including a trip to the MSDB playground (weather permitting). The activities for this group will remain flexible depending on the ages and abilities of the participants. Saturday morning during breakfast your children ages **six through eighteen** will be assigned to various teams (groups). These teams are designed to allow for children to be involved with peers their own age. For this session there will be several different activities including: recreation activities, crafts, some Orientation and Mobility experiences and of course snacks. Sometime during the morning session MSDB Counselors will also meet with the siblings and provide them the opportunity to discuss their feelings regarding having a blind or visually impaired sibling. *This information (in general terms, while keeping siblings names confidential) will be shared with the parents during the Sunday morning presentation.*

Information from various vendors (serving Blind and Visually Impaired) will be available during the weekend

***The kids program is intended to provide entertainment and educational activities that will further the participants' understanding of vision loss and its impact on the family. Activities are designed for the youth with vision loss and their siblings. Participants are grouped by age and staff are assigned accordingly depending on the numbers of the participants and their individual needs. If you have unique concerns regarding your child, please let us know and we will work with you to ensure that everyone has a good time.

Presenter Bios

Jacob Bachmeier was born and raised just up the road from Great Falls in Havre. He attended Havre High School, and during his senior year, he announced his first campaign for the Montana House of Representatives. Jacob went on to win his primary in 2016, just months after graduating from high school, and then beat the incumbent in the general election. He was re-elected in 2018 to serve a second two-year term. While in the legislature, Jacob was honored to carry many significant pieces of legislation, such as House Bill 726, which he co-sponsored with Rep. Mary Caferro. House Bill 726 changed the law to extend child support payments to parents taking care of adult children with disabilities.

Jacob also attended MSU-Northern while serving in the legislature and graduated with an Associate of Arts degree in 2020. Last spring Jacob enrolled in a Bachelor of Christian Ministry program at Regent University. He looks forward to completing his degree and eventually going into ministry. Jacob likes to spend his free time outdoors fishing and camping. Recalling the childhood pleasure of watching minor league baseball with his grandparents in Great Falls, he enjoys watching the Voyagers to this day. Jacob credits much of his success to those who advocated for him and provided him with visual resources throughout his K-12 education experiences. The Montana School for Deaf and Blind was one of his strongest advocates. He now appreciates the opportunity to champion investing in the Montana School for the Deaf and Blind.

Barbara Peterson is an Outreach Consultant for MSDB in western Montana serving children who are blind and visually impaired. She lives in Missoula, Montana. Barb has her Masters in Special Education as a teacher of the visually impaired. She is also a certified Orientation & Mobility Specialist, and a Deafblind Specialist. Barb is the mother of two children; a son and a daughter. Her daughter Katie is blind (and has multiple challenges). Barb is avidly committed to helping all children with vision loss and their families.

Michelle Cross is an Outreach Vision Consultant for MSDB serving Blind and Visually Impaired children in Northeastern Montana. Her home and office is located in Great Falls. Michelle has a Bachelor's degree in Elementary Education and Special Education. Michelle has been employed with MSDB since July 2006, as a teacher of students with visual and multiple impairments in the classroom on campus and is currently a consultant. Most recently, she has completed her Masters degree in Special Education through Texas Tech University with an emphasis in visual impairments. She enjoys spending time with her family, fishing and camping.

Susan Davis – MSDB Outreach Consultant since 2015 serving children in Southeastern Montana. She has an Elementary Education degree from MSU-Bozeman and was a classroom teacher for 10 years prior to obtaining her Masters in Special Education with an emphasis in Teacher of the Visually Impaired. She is passionate about learning and integrating technology in ways that increase student achievement.

Jane Garrison is a Vision Outreach Consultant serving students in the northwest portion of the state of Montana for 10 years. Her home and office are located in Eureka. Jane was a Special Education teacher for 18 years before coming to work for Montana School for the Deaf and Blind in August of 2008. Jane has a Bachelor of Science degree from Northern Michigan University with teaching endorsements in Elementary and Special Education. She received a Masters Level certificate for Teacher of the Visually Impaired and completed Orientation and Mobility Training through Stephen F. Austin State University in Nacogdoches, TX.

Billy Henry was born in Montana and founded Northwest Association for Blind Athletes in 2007 when he was fifteen in Vancouver, WA. The organization served six students the first year and now impacts nearly 2,000 individuals annually through 600+ in-person and virtual events across WA, OR, ID and MT. Billy graduated from Washington State University with a degree in Public Affairs and lives in Vancouver with his fiancé Ashlyn, and their two dogs.

Kerri Norick has been an Outreach Vision Consultant for MSDB in southwest and South-Central Montana since 2005. She completed her Masters in Special Education with an emphasis in teacher of the Visually Impaired and is a Certified Orientation and Mobility Specialist. Prior to MSDB, she worked as a special education teacher in Hamilton & Belgrade. Kerri and her husband Storm reside in Bozeman with their two sons. They enjoy living in the mountains and playing outdoors.

Sharon Woods is a Teacher of Visually Impaired, Orientation and Mobility Specialist and most recently certified as Deaf-blind and Autism Spectrum Disorder and Visual Impairment Specialist. She began serving infants and school age children with visual impairments in Yakima Washington and has been an outreach consultant for Montana School for Deaf and Blind for more than a dozen years. She started her career in education as a teacher in Montana in 1978. Sharon currently serves Central and South central Montana.

Amy Tangen began her teaching career in 1988. When her oldest daughter was diagnosed with a bilateral profound hearing loss, the family moved to Great Falls, so she could attend MSDB to ensure the best possible education. Amy began teaching in the VI Dept – teaching Technology, Reading, and Life Skills. Amy taught VI children for 7 years, and then returned to teaching public school, while earning a Masters Degree in Educational Technology and Assistive Technology. Amy returned to work for MSDB as a VI Outreach Consultant in July of 2013, and has completed her Master's Degree in Special Education with a certification as a Teacher of Students with Vision Impairments.

22nd Annual

FAMILY LEARNING WEEKEND for
FAMILIES OF Blind and Visually Impaired Children
June 3-5, 2022

WHAT OTHERS HAVE SAID ABOUT MSDB's FAMILY LEARNING WEEKENDS!

"I learned something new every day - even after attending five previous family weekends."

"Coming to MSDB for the Family Learning Weekend is our favorite thing to do every year"

"I was very impressed with MSDB in general. I had no idea that this was such a 'gem'. Montana is very lucky."

"This weekend is worth every mile I drive. MSDB has given our family emotional, physical and a valuable education"

"It was great! A lot of wonderful connections have been made"

"The staff is absolutely incredible."
